Bethesda Blaze Believed Arson

SILVER SPRING—A small private arsenal was rifled by burglars Tuesday when 100 German bayonets and three cases of 20 MM ammunition were stolen from a rented storehouse on Highland Drive, police said.

Miss Elizabeth J. Benedict, owner of the house which is located behind her home, said "a man rents the small house for storage." She indicated it had become an attractive nuisance in the neighborhood.

"The kids are always getting in there," she stated. Police said entry was gained through broken windows. Value of the weapons collection was estimated at $740.
